WINDSOR WEEKEND 20

AUGUST 16, 17, 18

SPONSORSHIP OPPORTUNITIES

Why Should You Get Involved?

The first reason is simple... EXPOSURE

Have a look of some of the exposure last years sponsors received.

- * Featured in over 15, 000 flyers distributed at automotive events all over the county.
- * Appeared on 200 full-colour event posters
- * Included on 600 event T-shirts
- * Logo's or Business name listed on 10 medium sized banners throughout the city and on a huge banner at the event.
- * Additional exposure came in the form of an ad and link on the event website and on the Windsor Weekend Facebook Fan Page.

Windsor Weekend and its sponsors are promoted at every major car show and event in the Essex County area. All of our sponsors receive free VIP tickets, which include tower access and the Sponsor BBQ. (\$45 value) These can be given away to employees and customers.

Anyone who has paid for advertising knows how much this exposure is worth.

The second reason is... COMMUNITY INVOLVEMENT

The days of 'hot rodders' being greasy young rebels are gone. Just look around your neighbourhood or the parking lot at work. Today's 'hot rodder' could be driving a custom truck, an SUV, a restored classic, or even an import. Even the factories have realized this market, with the introduction of cars such as the PT Cruiser and the Prowler. A recent poll by the International Hot Rod Assoc. reveals that 70% of racers and race fans show preference to companies that support their sport.
